DEAR PASTORS AND PRAYING FRIENDS,

DECEMBER OF 2014

The Lord has given us another wonderful time in His House! On the 23rd of November, one of our former students preached a fantastic message on Reaching The Gulf. What a great time we had as hundreds filled up the Charity Baptist Church building to hear the preaching of God's Word. Many sang specials that day as well and special Sunday School classes were held. At the end of the service, several souls were saved and many tears fell at the altar. God met with us again as we prepared to end our 2014 ministry schedule. Several pictures can be seen on our November 2014 Updates from the Gulf. Just get on the web site and sign up for monthly emails on the work in the Gulf Province!

Charity Baptist Academy ended their school year on a great note. A final Picnic and Sports Day was held to celebrate the end of school. What fun! Lots of food and games and water balloons. We also said cheers to one of our teachers from the USA, Miss Vicky Hitt. She will be missed. There is still a great opportunity and need for good teachers to come to the Gulf. Please pray about this endeavor and join us in raising the standard of education in the Gulf.

Updates from our mission workers have been very encouraging. Several church buildings are being built as well within our Province. **We have seen over 500 souls saved during the year of 2014!** Amen! God is so good. New outreaches start in February of next year in two new villages. God still blesses and God still saves! Pray about the many decisions that need to be made for the ministry here in the Gulf Province of PNG! We are in great need of whole Bibles for our Anniversary Year! Again, pray for this need and for the Word as it goes forth!

November 8th through the 11th will be our special 25th Anniversary Conference! Pray about coming and being a part of this wonderful and God Honoring occasion. The Theme for our meeting will be, "The Greatest of These is Charity." We look forward to seeing what our Great God will do during this meeting. Please pray as we work and labor in this new year of 2015. Pray for the needs of the ministry and for men to answer the call of God to come. Pray for the continual building needs and for the road work being done along the property in Kerema. Thanks for your faithful support and prayers for the Gray family during the year of 2014. We count it an honor to be your missionaries serving in PNG!

God Bless You Richly,

John and Melissa Gray
